Docket No. 2000-609

August 15, 2000

BELL ATLANTIC - MAINE  
Request for Approval of Amendment to  
Interconnection Agreement with  
Vitts Networks, Inc.

ORDER APPROVING  
AMENDMENT TO  
INTERCONNECTION  
AGREEMENT

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

---

In this Order, we approve an amendment to an interconnection agreement between New England Telephone and Telegraph Company d/b/a Bell Atlantic - Maine (Bell Atlantic) and Vitts Networks, Inc. (Vitts), pursuant to section 252 of the Telecommunications Act of 1996.

On June 2, 1999, in Docket No. 99-317, the Commission approved an interconnection agreement between Bell Atlantic and Vitts.

On July 17, 2000, Bell Atlantic filed Amendment No. 1 to its agreement with Vitts pursuant to 47 U.S.C. § 252, enacted by the Telecommunications Act of 1996. Interconnection agreements provide for interconnection between an incumbent local exchange carrier (ILEC) and another telecommunications carrier, including a competitive local exchange carrier (CLEC). An interconnection agreement may allow a telecommunications carrier to purchase unbundled network elements, or local services at a discounted wholesale rate (the discount reflecting avoided cost), or both, from an ILEC (or CLEC). The amendment responds to an order issued on November 5, 1999 by the Federal Communication Commission in CC Docket No. 96-98 (the "UNE Remand Order") and a November 24, 1999 supplemental order in the same proceeding.

Section 252(e)(2) states that a state commission may reject a negotiated agreement only if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or if "the implementation of such agreement or portion is not consistent with the public interest, convenience and necessity." We received no comments by the comment deadline set in a July 25, 2000 Notice of Agreement and Opportunity to Comment. We do not make either of the findings set for in section 252(e)(2) for rejection, and we therefore approve the agreement.

We qualify our approval in two respects, however, and reserve findings on future potential issues. First, we reserve judgment on whether the rates contained in the

agreement are reasonable from the perspective of Bell Atlantic's retail ratepayers. Bell Atlantic is presently under an alternative form of regulation (AFOR) ordered by the Commission in Docket No. 94-123. The AFOR began in December, 1995. Under the AFOR, Bell Atlantic bears the risk of lost revenues resulting from rates that are too low. However, at the end of the initial 5-year period of the AFOR, and in 2005 if the present AFOR is renewed, we may have occasion to review Bell Atlantic's earnings. We do not resolve whether Bell Atlantic is receiving reasonable compensation from any CLECs that may avail themselves of the rates provided to Vitts pursuant to 47 U.S.C. § 252(i) and, if they are not reasonable, whether we should impute revenues to Bell Atlantic.

Second, section 271(c) of the Act, 47 U.S.C. § 271(c), requires that the Bell Operating Companies (BOCs) meet certain requirements before they are allowed to provide interLATA service (the so-called "competitive checklist"). Under section 271(d)(3), the Federal Communications Commission (FCC) must determine whether the BOC has met the competitive checklist before granting the BOC authority to provide interLATA service within its region. Prior to making that determination, the FCC must consult with state commissions to verify the compliance of the BOC with the checklist. Our approval of this agreement should not be construed as a finding that Bell Atlantic has met those requirements.

The agreement filed by Bell Atlantic provides for interconnection between Vitts and Bell Atlantic's network in Maine. If Vitts seeks to interconnect with networks maintained by independent local exchange carriers in Maine, it must seek a termination, suspension, or modification of the exemption contained in 47 U.S.C. 251(f)(1)(A).

## **ORDERING PARAGRAPHS**

Accordingly, we

1. Approve Amendment No. 1 to the Interconnection Agreement between New England Telephone and Telegraph Company d/b/a Bell Atlantic - Maine and Vitts Networks, Inc. attached hereto, pursuant to 47 U.S.C. § 252(e); and

2. Order that the Administrative Director shall make a copy of the attached Agreement Amendment available for public inspection and copying pursuant to 47 C.F.R. § 252(h) within 10 days of the date of this Order.

Dated at Augusta, Maine, this 15<sup>th</sup> day of August, 2000.
